We champion foster carers that they may be recognised and valued for their role in the lives of children and young people in care.

As the peak body in Victoria, we are the united voice of foster carers, advocating for systemic improvements, building productive partnerships and nurturing respectful relationships. We deliver a full range of information and support services to meet carers' needs at all points in their care journey.

The FCAV acknowledges the unceded sovereignty of the Wurundjeri people of the Kulin Nation. We acknowledge the continued connection to Country – including lands, cultural knowledges and their peoples – and pay our respect to Elders past and present.

We celebrate the diversity of the FCAV carer membership, board and staff. We are committed to a workplace, policies and services that are safe and inclusive for LGBTQIA+ communities and their families.
