## WALK ON COUNTRY

FCAV Staff & Board, along with Brent Ryan from VACCA were honored to Walk on Country with our Board Member and Wurundjeri man, Daryl Sloan. We explored Taungurong land near Euroa.

*It was a fantastic day visiting and hearing about the beautiful Taungurong country. There is fantastic commitment from the FCAV on this exciting journey. Darryl confirmed the importance when walking on country, deep listening and being observant so you don't miss anything and can take in the whole journey. Darryl's knowledge and passion was evident and infectious."*

*I really enjoyed my walk on country. I have grown up holidaying in the area and never knew its rich history of Aboriginal culture. Daryl has a great knowledge of Aboriginal history and I really enjoyed learning from him and his life experiences. Jaymilee*

*I really enjoyed my second Walk on Tuangurung Country just out of Longwood with the FCAV team. Led by Board Director Daryl who so generously shared stories and knowledge as we walked through unfarmed land, beautiful wildflowers, ancient dry stone wall system, roos, red bellied black and great views from a rocky outcrop. Thank you, Nicole*

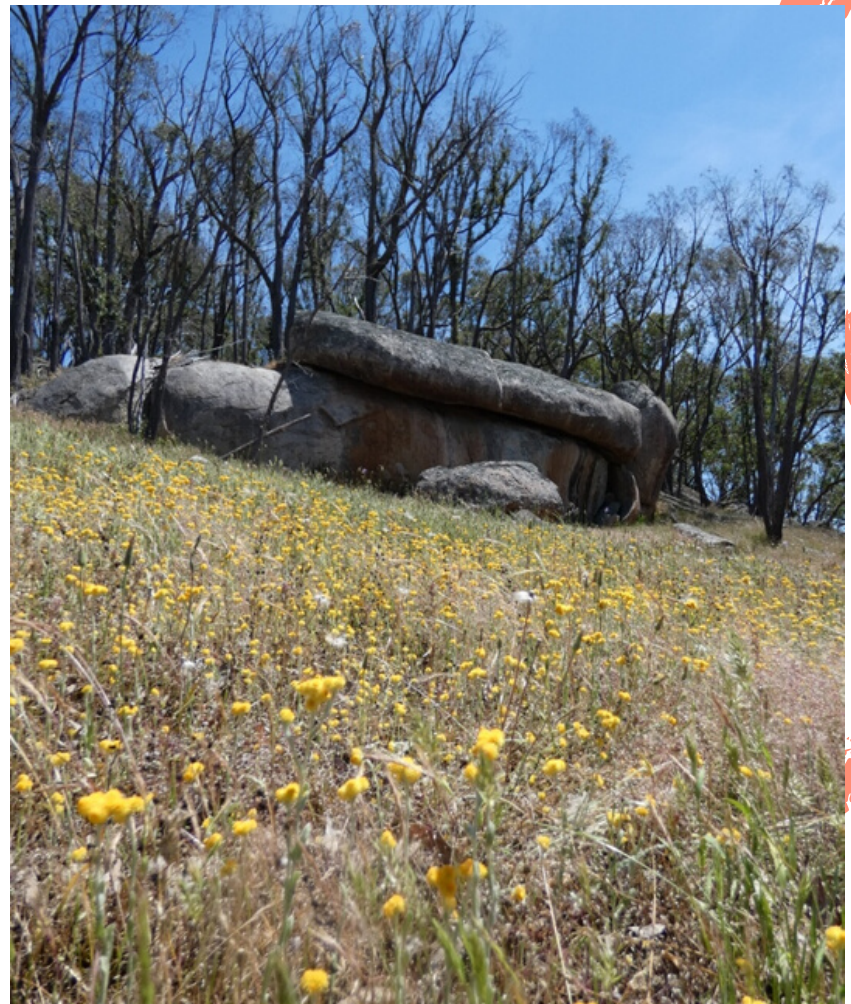

*It was an honour and a privilege to walk on country with Daryl and immerse ourselves in a rich cultural experience. Thank you, Sam.*

*We are so lucky to have the opportunity to walk with Daryl on this beautiful land to discover Aboriginal history, hidden artifacts (the stone walls) and to bask in nature's beauty. Thanks, Bron*
